

Content Warning:

Inkbolt is a self-indulgent webcomic with a focus on lots of cartoon violence and even more varieties of toony peril.

This comic may also contain mature content and whatever else the author wants to throw in.

This ol' thing? Inkbolt.
Now that's a tape I never

thought I'd get to see...

Until **YOU** popped it in!

Aaaaaah!

Oh. Right. I imagine this would normally be the reaction this gets.

No doubt you have some questions, but what you found was a very special tape. A very special and thought to be **LOST** tape that connects to our humble little world.

I imagine every~

Have you even

noticed what you
are, now?

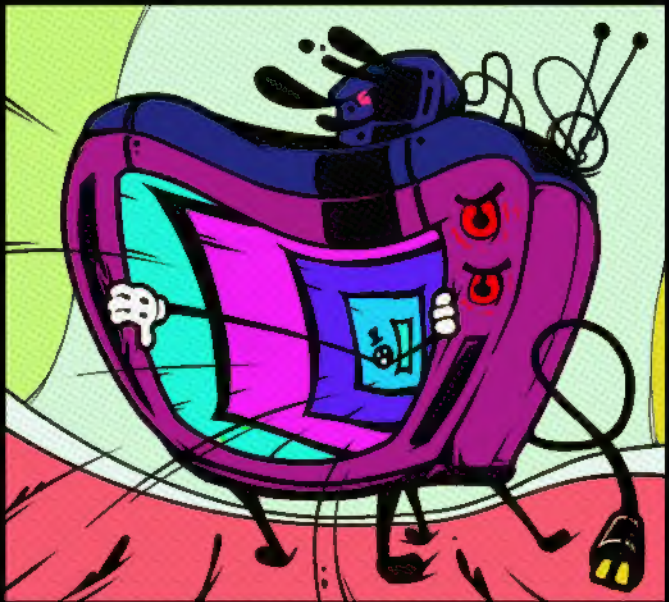

I'm a **CARTOON!**

Well, I should admit that even I have no clue its purpose. Only one who would is Acres himself.

And that fellow is loooong gone!

This part might be rough! If you survive the trip, I'll find you, and we'll figure it out one way or another!

Wooooooooooooooooooooosh

Wait~wait~wait I'm not ready!
At least give me a chance to
change out of my pajamas!

vorp~
